Life's sicker than you thought  
So get up and face the facts  
Keep fighting if you have failed  
And one day the shit will end - My friend

Tear down the walls  
Wake up - Fight back - Demand your life!  
Tear down the walls  
Wake up - Fight back - Demand your life!

Self - Defence is no offence!  
Self - Defence is no offence!  
So what!  
Fuckin' what!

Like diggers - The face in the dirt  
The pressure dwells in your head  
Where's your pride - Your will to live?  
Try to fight for every breath you take!

Tear down the walls  
Wake up - Fight back - Demand your life!  
Tear down the walls  
Wake up - Fight back - Demand your life!

Self - Defence is no offence!  
Self - Defence is no offence!  
So what!  
Fuckin' what!

Blind leading the blind  
We're puppets in our life  
Deep inside it's growling in my head  
Why can't I win in this fuckin' game called life?  
It is sad - Sad but true!

Life's sicker than you thought  
So get up and face the facts  
Keep fighting if you have failed  
And one day the shit will end - My friend
