What makes you think everything is this world  
That you have can't be taken away?  
In a world enslaved, it's kill or be killed  
I live each day like it might be my last

In this lifetime few things  
Are worth fighting for  
My blood, your honor  
Everyone has a destiny

I'll choose my own  
I will not be a victim  
I'll choose my own  
My cries won't go unheard

I'll choose my own  
I got to fight for myself  
I'll choose my own  
And what I hold so true

Destiny, I'll choose my own destiny  
And I'll never let  
Anyone take away  
What I hold so true

I won't live in denial  
And I won't turn the other cheek  
I must remain convicted  
And never accept this suffering

I've learned from my mistakes  
And I've made a promise to myself  
I won't live in the past  
I won't live in the past

I've been affected by your lies  
And I've let them hold me back  
I wasn't thinking for myself  
I wasn't living for myself

I will not be a victim  
I'll choose my own

My cries won't go unheard  
I'll choose my own

I've got to fight for myself  
I'll choose my own  
And what I hold so true

What I have in my heart  
What I have in my heart  
I'll take to my grave  
I'll take to my grave
