(Verse)

How many ways to languish?  
How many ways to fail?  
How many ways to die too soon?  
You can't choose one, it chooses you

(Chorus)

Some of the choices (reason!)  
We make along the way (the way!)  
Can't destroy us (destroy us!)  
Bitter truth cuts both ways

(Bridge)

The story's made in your eyes  
I'd rather suffer for the truth than prosper from a lie

(Verse)

How many ways to judge me?  
How many places to wash ashore?  
How many ways to feel nothing again?  
Like any mistake, I wouldn't is if I was afraid

(Chorus)

Some of the choices (reason!)  
We make along the way (the way!)  
Can't destroy us (destroy us!)  
Bitter truth cuts both ways

(Bridge)

The story's made in your eyes  
I'd rather suffer for the truth than prosper from a lie

(Interlude)

The bitter truth cuts both ways  
Bitter truth cuts both ways  
The bitter truth cuts both ways  
I swear you'll regret the words you speak in my face

(Chorus)

Some of the choices  
We make along the way

Can't destroy us  
Bitter truth cuts both ways

(Chorus x2)  
Some of the choices (reason!)  
We make along the way (the way!)  
Can't destroy us (destroy us!)  
Bitter truth cuts both ways
