Thrown, I was thrown
Thrown into this living hell

I am the hatred taken from another's life
Born unwanted, extracted of all that is humane
No one can relate to my abandonment
I walk this earth alone in search of salvation

Forever, forever, forever, alone
A tormented seed given a chance to grow
The end result of a moral choice
Only to live a tortured life as the product of rape
Under a mother's face of innocence
And a father with eyes of a demon

Conceived through an act of violence
Conceived through an act of violence
Conceived through an act of violence
Conceived through an act of violence

No, I was thrown into this living hell
I didn't ask to be this way
I was thrown into this living hell

Thrown into this living hell
Thrown into this living hell
