## "Destroy Everything"

A new life begins  
Destroy everything x3  
Obliterate what makes us weak  
Destroy everything x3  
Decimate what threatens me

Cleanse this world with flame  
End this, cleanse this  
Rebuild and start again  
Obliterate what makes us weak

End this and embrace the destruction  
End this to embrace new life  
NEW LIFE!

Even an empty threat deserves a response you won't  
soon forget  
I must destroy everything that tries to infect  
Even an empty threat deserves a response you won't  
soon forget  
I must destroy everything that tries to infect

Destroy everything x3  
Obliterate what makes us weak  
Destroy everything x3  
Decimate what threatens me

Cleanse this world with flame

End this, cleanse this  
Rebuild and start again  
Obliterate what makes us weak

End this and embrace the destruction  
End this to embrace new life  
NEW LIFE!

Even an empty threat deserves a response you won't  
soon forget  
I must destroy everything that tries to infect  
Even an empty threat deserves a response you won't  
soon forget

I must destroy everything that tries to infect

A new life begins  
Destroy everything x2  
Obliterate what makes us weak  
Destroy everything x3  
Decimate what threatens me  
Destroy everything x3  
So a new life can begin

Destroy everything x3  
Rebuild and start again... AGAIN!
