Living as we rot
Showered with shadows
Of dreams devoured
Our souls descend
Into endless seas of sin

There's no turning back
No repenting, no remorse
Hate stricken creation
I realize in this world

There is not one truth cast into stone
Only lies cast into flames
There is not one truth cast into stone
Only lies cast into flames

It's time to burn
Burn alive
It's time to burn
Burn at the stake

Our eyes crystal clear
Our bodies frozen with fear
And there's nothing to save us now
From endless suffering and solitude

We've lost the chance
To save this dying world
And so we pay the price
Which no one can afford

This is our last breath
The first in a world
That's right
There's nothing left
I realize in this world

There is not one truth cast into stone
Only lies cast into flames

It's time to burn
Burn alive

It's time to burn
Burn at the stake
