Scared - of my blind wrath!  
Run till the end!  
So fucking weak -  
You make me sick!  
Backstabbing motherfucker!  
F - U - B - A - R  
I'm on your trail forever!

No escape - I'm coming at you  
Driving my hate right through your head  
Down the barrel of my mouth  
I spit the words of lead

Drunk with bitter tears of revenge -  
Torn with bleeding knives of loath

Crushing - behold my wrath!  
This is the end!  
Sprawled at my feet  
Your blood runs thin  
Fear - stinking carcass  
Begging for the riddance  
I will never give ya!

[Chorus:]  
Shadows of part  
A reel of visions  
Is mirrored in your fading eyes  
What you sowed  
I what you reap now  
With nothing left to hope for

Crippled - my sated wrath!  
Is this the end!  
Washed with blood  
Forever scarred  
Solitary madman  
Seeking for the riddance  
I will never find it

[Chorus]

Shadows of part  
A reel of visions  
(Is mirrored in your fading eyes) [...]  
Cursed to live  
The rest of this life  
With only death to hope for

DEATH'S COMING AT YOU!  
LIFE'S COMING AT YOU!
