## "River Of Pain"

My heart is flamed  
My sense is strained  
My spirit is suppressed by bitter pain  
My mind possessed  
I am distressed  
I am depressed  
I am insane!

Dysthymia squeezed it's icy claws  
Soul's thrilling so exposed  
My faith is ruthless & composed

This stream is filthy like disease  
Sucking souls as black hole  
Insatiable mouth that gobbling me!

[Chorus:]  
I'm diving & streaming with river of pain  
I'm sinking and swimming again and again  
Nobody can hear my harrowing cry  
This river is my life I'm wishing to die!

I feel disgust  
I have no trust  
I've got no faith  
I am forsaken exile

Wasted by fear  
I'm searing hear  
All that I hear  
Is noise of breaking hearts

Anguish's pricking weaken brains  
Iron jaws are chewing us  
Storms are spinning our souls

Aggression, hypocrisy,  
Greed, meanness,  
Hate rules this reality  
That I detest!

[Chorus x2]

I'm wishing to die!  
Wishing to die!
