It's hard to keep myself in line
In one ear and out of my mind
Who do you think I am
I'm lost, I'm saved, I'm dead, I'm damned
It's not hard to hate
Exterminate, depopulate
Erase disgrace of human race
Playing God's my favorite game
Inside in flames, outside I'm the same
Walk among you like a friend
Guess again I am the end
It's not hard to hate
The ripping of your faith
Take you to your resting place
Not hard to, not hard to hate
Hard to hate
Murder's in no more a sin
Execution, revolution
Pray for you don't pray for me
And choke on your mortality
It's not hard to hate
Exterminate, depopulate
Erase disgrace of human race
