Resurrect another bad memory  
Twisted by the shit it did to me  
I can count the good days on one hand  
Pain is the one thing I understand  
It was God and she'd just sit there  
Threw me down the stairs  
So I could get some air  
Bloody landing where I hit  
Sickening, smiling, psycho face on it  
Psychoface on it  
Psychoface on it  
Black shit scars my memories  
In a hole that it made for me  
Isolation my salvation, when I'm alone  
There's no one beating me  
It was God and she'd just laugh  
Brains bashed 'til everything went black  
Second son for the crucifix  
Sick of smiling, psycho face on it  
Psychoface on it  
Psychoface on it  
Re-enact the murder from memory  
I did to it just what it did to me  
It got old it won't touch me again  
Understand you weren't meant to understand  
It was God and she went so fast  
Now that trash is buried out in back  
I flash back and I get sick  
Sickening, smiling, psychoface on it  
Psychoface on it  
Psychoface on it
