Suppressing guilt feelings  
Glorifying thrill killings sensationalized  
Mindless hate crimes handed down  
Never ending prejudice  
Stop pretending you really care  
Just worry about yourself cutting down anyone  
Drive by die young  
In a blink of an eye  
Dead innocent children  
Murder's nothing anymore  
Don't give a damn  
Just worry about yourself  
Suppressing guilt feelings  
Glorifying thrill killings  
Open your eyes  
You can't suppress the glory convicted murderers  
Multiplying confessions  
Soul shocking can't stop the results  
When we ignore the problem  
Graphic/violence  
Got to please the audience  
Work hard for your fame  
You're dead once you stop trying cutting down anyone  
Drive by die young  
In a blink of an eye  
Dead innocent children  
Murder's nothing anymore  
Don't give a damn  
Just worry about yourself  
Suppressing guilt feelings  
Glorifying thrill killings  
Hatred drives the media  
There's never enough blood  
Suppressing guilt feelings  
Glorifying thrill killings  
I'll show them all  
Just what I'm made of  
Suppressing guilt feelings  
Glorifying thrill killings  
Open your eyes  
You can't suppress the glory
