[Music: P. Lyse Hansen / J. Bredahl / Hatesphere, Lyrics:
J. Bredahl / A. Gyldenhr]

It's me crawling outside your window
It's me creeping you out tonight

Hallucinating
Images from hell within

You thought you got off
But I came to fight another day
I drag it out, I drag you down
Always like that when I'm around

Suffocating
Blinding fear is closing in

I'm the nightmares inside your head
The monster underneath your bed

Beware of the beast in black
Your time has come, there's no turning back
Acid in your open wound
My hell is your tomb

[Lead: P. Lyse Hansen]

Try to dig your way out
There's no escape for you to find
Shovelling through the lost souls
That I have left behind

I bring out the worst in you
You are a victim of my split personality

Hallucinating
Images from hell within

Your fear is my life force
I feed on you, going insane

Suffocating

Blinding fear is closing in

Iâ€™m the nightmares inside your head
The monster underneath your bed

Dead
Youâ€™re dead
