Gomennasai, umarete kite
Gomennasai, suki ni natte
Kimi no koto shiritai kedo
Sonna jibun ga kirai nanda

Gomennasai, kabe tsukutte
Gomennasai, okubyou de
Kimi no koto suki da keredo
Kokoro no tobira wa hirakenai

Aa doushiyou, nee doushiyou
Kiete yuku yo sayonara bokura
Doushiyou afureru
Akai namida wa tomaranai ya

Gomennasai. mada ikitete
Itsunomani ka, nemuku natte
Kimi no koto futoyogitta
Totemo atatakai yume o miru

Aa doushiyou, nee doushiyou
Mitsuzukeru yo saigo no yume o
Doushiyou afureru
Akai namida wa tomaranai

Aa mou sugu nee mou sugu
Yasashii hito ni nareru kana
Moshi naretara, kimi no tokoro e
Ai ni yuku kara.
