They get to the deepest part
Middle ages
Murder legalized
Severity seeking
Living missile
Dominations br?t
T?d ?n life
Not let survive
Not let survive
R?w?t left
Mirror image to beautify

"Hardcore"
"Hardcore, I"
"Hardcore, I scene in your face. It's like Hell down
Here!"

Me
My worst enemy
Deaf and dumb
Punished emergency
? ? motion
Travelling to talk too late
Bet love or fate

Mind tricks
Creating paradise
Paradox fortune
Paradox fortune
Eyes open wide
Christ on which side
This bomb's for freedom
And mortal pride

"Quietly"
"Watch your fire and check your targets."

Future grace
? ? ?
Lying to tell
In a strange place

? ? ?

Ornament to be

Not today

Not today

Not today

Because you're away

Fourth in the ?

Shutdown your brain

Shutdown your brain

Not today

Not today

Not today

Because you're away

Fourth in the ?

Shutdown your brain

Shutdown your brain

Shutdown your brain

Shutdown shutdown shutdown shutdown shutdown

shutdown!

"Quietly"
