

Haujobb "Depths"

Visit "[Depths](#)" on MotoLyrics.com

the access to new excesses excluding environment
virtual
running be sure there's no return page by page -
deeper edge a
crash with the ceiling the context cries contact denied
interaction scientifically based voyeuristic satisfaction
in
futuristic ambience access from outside to a parallel
light
constant development of a personal environment i buy
heaven a
short time sky the only thing that leaves a cold
sunshine i

felt deep inside new dimensions rise contact denied
