The sun is the past
The earth is the present
The mind is the future
Push as far as it goes

The light is the past Concrete is the present The mind is your future Deal with the demons

The last man on earth
Doesn't know he is alone
Doesn't know it is his fault

The last man on earth Doesn't miss anyone Anyone at all

The last man on earth
Doesn't know he is alone
Doesn't know it is his fault

The last man on earth Doesn't miss anyone Anyone at all

Deal with the demons
