eyes zoom in present this frozen monument of
confusion of
cruelty and harmony romantic sessions with virtual
candlelight
censoring the day forget one's memory those apparent
bargains
start the suspension of virtual masturbation thoughts
pushing, pounding gently within those ancient yet
advanced
feelings this delicate balance of human nature is
disturbed a
desperate quest for more forget one's memory those
apparent
bargains start the suspension of virtual masturbation
resistance futile explorations arrange your thoughts
your

great peace of encoding is just illusion of parallel time
