"Break break, one not shut down"

"Check, Houston com check"

"Bless me Father, for I have sinned"

"Break break, one not shut down"

"Check, Houston com check"

a life screaming silence
no knife silent violence
sleeping beast green eyes
not enough ? life
not enough ? life

fused opposition
swallow faith
under m'd?n ?r'ys grace
bedtime ? ? ? ?
memory displacement
vaccination wins/whims

new start new area
new life new religion
new aggression
end's not gained never

bomb expected fire
causes pave the way
to the decay
and I with gray
freedom lies
his pretended aim to expose humanity
growing airy senselessly
it's a fact
freedom lies

"Break break"

"Bless me, Father" (x19)

"Bless me, Father, for I have sinned"

inner motion

on their feet on their

victim uttering his legs touched by faith
no rest left empty resorts
log the sights
freezing sub-paper
on the civil sights

"Break break, "

yell to above (x6)
why?

" a new life... ...a new beginning"

bomb expected fire
causes pave the way
to the decay
and I with gray
freedom lies
his pretended aim to expose humanity
growing airy senselessly
it's a fact
freedom lies

"Break break"

fleeting fire
paradise burned
not to extinguish
disposer of genetic waste
freedom lies

" a new life... ...a new beginning"
