One last try. Unfinished promise,
Reach down deep inside.
I give up the day I die
At least this pains mine!
We all die!
You and I!
Live a life
Or live a lie!
No retreat, no giving in,
No spiritual surrender.
Face the facts. You're life is pain,
You're lost inside your mind.
We all die!
You and I!
Live a life
Or live a lie!
So now you know,
Life's lesson has taught me well
I have no hopes.
Worn down,
Broken and beat by society's lies.
New pride,
Found in the struggle of your survival.
We all die!
You and I!
Live a life
Or live a lie!
So now you know,
Life's lesson has taught me well
I have no hopes.
Facing yourself.
Realize that you're nothing.
Through the eyes of despair,
A new fire rises.
Life lived uncompered,
You set your own standards.
In one final statement;
Do what thou wilt...!
So now you know,
Life's lesson has taught me well
I have no hope...
Demonseed,

Rise in me! [x2]
