She's a song unsung  
She's the wild orchid in your ugly swamp  
She's a song unsung  
and the only white walls of her mind know what that  
song sounds like

The pills, the pills  
and the Dr.'s promises just ain't doing the trick  
cause the arms of nothing she falls asleep in  
can still bring the razor to the wrist

The TV screens, the magazines  
scream at you like the dogs of hell  
advertising and advising you to be  
anyone but your beautiful self

Prince Charming never brought you flowers  
just loveless lifetime alone  
No roses for you, just unlocked doors  
and the deafening silence of your phone

So block your ears, close your eyes  
remember that you're a golden soul fallen from the  
boring, heartless Hollywood heard of lies that they call:

Beautiful

With no shoulder, no hand, no body, no man, no door,  
no heart to let you:

The sun can take too long  
to end the endless night

I hear you, I feel you, I bleed with you  
when our hearts begin to scream:

This life can feel too long

But at night, you're dancing through the pain  
even when you're the only one  
no rose, no sky as full of the beauty of the girl who dies  
but rises with every morning's sun

alone

She dances alone  
alone -- so beautiful  
alone -- her own romance:  
alone -- Lady Lazarus' Life-Sustaining Dance
