Don't do it again, girl

Can you hear yourself?

A saner man would run from the things

Coming out your mouth

Your voice is all barbed wire and it stings

Don't do it again, girl, again girl, no

(No, no)

Don't get all crazy and begin, girl

(No, no)

To think it over

Yeah, it's all inside your head

Get your head checked out

Because you're psycho, psycho

So when you're all worked out

Won't have to worry 'bout you being loco

Don't do it again, girl, again girl, no

(Again girl)

Don't get all crazy and begin, girl

(Begin girl)

To think it over

Yeah, it's all inside your head

As the days go on

And you say, "Don't worry

Don't complain, we're all the same"

But you're crazy

Don't do it again, girl, again girl, no

(Again girl)

Don't get all crazy and begin, girl

(Begin girl)

To think it over

Yeah, it's all inside your head

Don't do it again, girl, again girl, no

(Again girl)

Don't get all crazy and begin, girl, begin, girl

(Begin girl)

To think it over
Yeah, it's all inside your head
