Every time I try to make it, make it happen
I just fake it, I think it's over and I blink, it's over
Every time I screw up, I never let up
And I keep forgetting to think it over 'cuz I blink, it's
over

Every time I close my eyes
And every time I close my eyes
Every time I close my eyes
And every time

I sit there hoping
You go on holding my hand in yours
So stay, yeah stay forever

Every day it's getting colder
And I find I'm getting older
Need warmer climes
Need warmer climes now

Need a land with warming sun
And a heart whose every beat is one
That keeps your time
Keeps your time somehow

Every time I close my eyes
And every time I close my eyes
Every time I close my eyes
And every time

I sit there hoping
You go on holding my hand in yours
So stay, yeah stay forever

Hoping
You go on holding my hand in yours
So stay, yeah stay forever

Every time I close my eyes
And every time I close my eyes
Every time I close my eyes
And every time

I sit there hoping
You go on holding my hand in yours
So stay, yeah stay forever

Hoping
You go on holding my hand in yours
So stay, yeah stay forever

Hoping
You go on holding my hand in yours
So stay, yeah stay forever
