She's a money spending mama, don't you know, man
don't you know
She's a money spending mama, don't you know, man
don't you know
She's a money spending mama, don't want to see that
gal no more

Well I give her fifty dollars, now honey go down and
pay my bills
She come back and said Now Brownie, I need twenty
more dollar as well
She's a money spending mama, don't you know, man
don't you know
She's a money spending mama, don't want to see that
gal no more

She said now listen here now Brownie, I wanna tell you
something if you please
But I need some more money, but I'm not goin' get on
my bended knees
She's a money spending mama, don't you know, man
don't you know
She's a money spending mama, don't want to see that
gal no more

Play it boy!

Well I carried this girl down to a big joint, I wanna show
this girl a nice time
I had twenty-five dollar when I enter, when I left I did
not have one dime
She's a money spending mama, don't you know, boy
don't you know
Yes she's a money spending mama, don't want to see
that gal no more

She said now daddy money was made to spend, I
wanna give it in circulation
Now if you can spare me twenty-five more dollars, I
take care of the situation
She's a money spending mama, don't you know, man

don't you know
