Lost your faith drowning, drowning  
Starry eyes want keep flaming  
I'd rather be still dreaming  
I can't watch you drown

There's no trance of grieving, grieving  
Starry eyes won't stop the waiting  
I'd rather be, still dreaming  
I can't watch you drown

She says those words so dear  
For a little taste of it all  
All my words shed to tears  
All my life  
All my

Lost your faith drowning, drowning  
Starry eyes want keep flaming  
I'd rather be, still dreaming  
I can't watch you drown

She says those words so dear  
For a little taste of it all  
All your words shed to tears  
All my life, life  
All my life, life  
All my life
