I wanna keep myself in place
Some would say it makes no difference
I need to learn to feel no shame
I think of selfish thoughts again

Now I need it, it makes no sense
I helped it slide away
Am I too late or in time?
Am I too late for your sweet smile?

I don't wanna put an end to this
What I need is something you can give
I need to keep your thoughts away
Leave me with my heart again

Now I need it, it makes no sense
I made it slide away
Am I too late or in time?
Am I too late for your sweet smile?

Now I need it, it makes no sense
I helped it slide away
Now I need it, it makes no sense
I helped it slide away
Am I too late or in time?
Am I too late for your smile?
Am I too late or in time?
Am I too late for your smile?
