When I look back on my life,
The wrongs and the rights,
I know I've made mistakes,
But never lost the fight,
Never forgot who I am,
Or lost my identity,
Fighting for what I believe means everything to me.

Made it this far in my life,
No, I'm not givin up yet.
Made it this far in my life,
'cause one chance is all you get.
Made it this far in my life,
I know now who I am.
Made it this far in my life,
You gotta fight back while you can.

I packed my bags one day,
And hit the open road,
A city of lost angels
Is where I was gonna go,
Now everything I wanted
Ain't nothin new,
But breakin from your roots
Ain't easy to do.

Made it this far in my life,
No, I'm not givin up yet.
Made it this far in my life,
'cause one chance is all you get.
Made it this far in my life,
I know now who I am.
Made it this far in my life,
You gotta fight back while you can.

Life can be so cruel,
Life can make you sick,
Life can make you give up,
Life can make you quit,
But life here isn't forever,
Just a quick glimpse,

Fight back while you can
'cause one chance is all you get!
Made it this far in my life,
No, I'm not givin up yet.
Made it this far in my life,
'cause one chance is all you get.
Made it this far in my life,
I know now who I am.
Made it this far in my life,
You gotta fight back while you can.
