We're the ones who
believe in the things unseen
This home, this body is
the in-between

We're the ones who fight
down on our knees
Who dare to love our enemies (love enemies)

They say it sounds insane
we say that we've been changed
By the power of crazy love

This world, it looks at us
like we're ridiculous
Baby it's all because of crazy love

We're the ones gonna put
it all in reveres
Gonna die to ourselves,
gonna live to serve

Cuz' when ya get what ya
when you walk by faith
Is it really so dumb to give
it all away (give it all away)

They say it sounds insane
we say that we've been changed
By the power of crazy love

This world, it looks at us

like we're ridiculous
Baby it's all because of crazy love

Crazy Love

We know it sounds absurd,
we don't get what we deserve

It's by grace (we are saved)

They say it sounds insane
we say that we've been changed
By the power of crazy love

This world, it looks at us
like we're ridiculous
Baby it's all because of crazy love

Crazy Love
