come back
don't leave
keep stalling
come back
to me
i'm falling
in love
but the last thing you said to me
made it seem like this just won't last
and oh time and time again
breaking all our plans from the past

you'll find out
hear me now
there's someone better out there

come back
don't leave
keep stalling
come back
to me
i'm falling
in love
but the last thing you said to me
made it seem like this just won't last
and oh time and time again
breaking all our plans from the past

you'll find out
hear me now
there's someone better out there

you made me laugh
i made you cry
it's time we said our last good bye
