I'm gonna say
Whatever's on my mind
As you walk away
With half of what is mine

Nothing's gonna change
So I'm giving up on you
And you're not gonna change my mind

Nothing's gonna change
So I'm giving up on you
And you're not gonna change my mind

Let's go, you complicate
Until the dotted line
So I wrote this song to try to pass the time

Nothing's gonna change
So I'm giving up on you
And you're not gonna change my mind

Nothing's gonna change
So I'm giving up on you
And you're not gonna change my mind

You can't take my dignity
You can't take my pride
I've got my integrity
But you've just crossed the line

No one's even heard of me
Well, I'm not gonna cry
I don't want your apology
And I don't want the job

Nothing's gonna change
So I'm giving up on you
And you're not gonna change my mind

Nothing's gonna change
So I'm giving up on you
And you're not gonna change my mind

You can't take my dignity
You can't take my pride
I've got my integrity
But you've just crossed the line

No one's even heard of me
Well, I'm not gonna cry
I don't want your apology
And I don't want the job

I knew that it's my friend
