i have no confidence  
and i can't see why i should  
but i could do most anything for you  
and you know i would  
i try too hard  
and then i give up way too easily  
i'm the runner up inside of you  
and you're the winner inside of me

chorus:  
lose your way  
and i will follow  
here today  
and here tomorrow  
like my freedom i know  
i'll never let you go

i still wish on the evening star  
and i s'pose i always will  
every child loses something  
a whole life can't fulfill  
and when you cry i feel the sky  
burst open in my veins  
if loving you makes me a slave of me  
then i'll spend my whole life in chains

chorus  
walk the line  
i'll walk inside you  
change your mind  
let love decide you  
its the reason i know  
you'll never let me go
