It only takes one to make a difference
It takes a little to change
Let's start today for a new tomorrow
Don't look back, I won't look back now

Hey yeah, gonna find a new beginning
Lately tired of the life I'm living
Find a way to make a change
In the lives of all of us who need
To find the meaning of life

We run the race just to keep our distance
Our lives we must rearrange
Let's chase away all our fear and sorrow
Don't hold back, I won't hold back now

Hey yeah, gonna find a new beginning
Lately tired of the life I'm living
Find a way to make a change
In the lives of all of us who need
To find the meaning of life

Life, life
Life, life

To find the meaning

Hey yeah, gotta find a new beginning
Lately I'm tired of the life I'm living
Find a way to make a change
In the lives of all of us who need it
Today's the day don't hesitate
And everybody with me sing

Na, na, na, na, na
Na, na, na, na, na, na
Na, na, na, na, na
Na, na, na, na, na, na

Na, na, na, na, na
Na, na, na, na, na, na
(Come on, last one)

Na, na, na, na, na
