It only takes one to make a difference  
It takes a little to change  
Lets start today for a new tomorrow  
Don't look back  
I wont look back now

Hey yah gonna find a new beginning  
Lately tired of the life I'm livin  
Find a way to make a change  
In the lives of all of us who need  
To find the meaning of life

We run the race just to keep our distance  
Our lives we must rearrange  
Lets chase away all our fear and sorrow  
Don't hold back  
I wont hold back now

Hey yah gotta find a new beginning  
Lately tired of the life I'm livin  
Find a way to make a change  
In the lives of all of us who need  
To find the meaning of life

Oh oh oh oh  
Oh oh oh oh  
Life Life  
Oh oh oh oh  
Oh oh oh oh  
Life

To find the meaning..  
Hey yah gotta find a new beginning  
Lately I'm tired of the life I'm livin  
Find a way to make a change  
In the lives of all of us who need it  
Today's the day don't hesitate  
Everybody with me sing

Na na na na na  
Na na na na na x4
