Everywhere I go, it's all being taken
Pick me up a book about new sensations
Take me to a place with no frustration
Pack it up before I lose my patience

Here we go
Let's take them to the show
Woah, woah
Come on, turn on your radio

Woah, woah
Let's go, let's take them to the show
Woah, woah
Come on, turn up your radio

Call me on the phone or two way pager
Won't be coming home so see ya later
You can keep your cars and your jet black hummer
You won't see me again until next summer

Here we go
Let's take them to the show
Woah, woah
Come on, turn on your radio

Woah, woah
Let's go, let's take them to the show
Woah, woah
Come on, turn up your radio

Come on, if you're feeling, if you're feeling, alright
Come on, if you're feeling, if you're feeling, alright
Come on, if you're feeling, if you're feeling, alright
Come on, if you're feeling, if you're feeling, alright

Come on, if you're feeling, if you're feeling, alright
Come on, if you're feeling, if you're feeling, alright
Come on, if you're feeling, if you're feeling, alright
Come on, if you're feeling, if you're feeling, alright

Come on, if you're feeling, if you're feeling, alright
Come on, if you're feeling, if you're feeling, alright

Come on, if you're feeling, if you're feeling, alright
Come on, if you're feeling, yeah, yeah, yeah, yeah

Here we go
Let's take them to the show
Woah, woah
Come on, turn on your radio

Woah, woah
Let's go, let's take them to the show
Woah, woah
Come on, turn up your radio

Here we go
Let's take them to the show
Woah, woah
Come on, turn on your radio

Woah, woah
Let's go, let's take them to the show
Woah, woah
Come on, turn up your radio

It's a party
Come on, y'all
Do you feel good
Oh, oh, feelin' good

Come on, if you're feeling, if you're feeling, alright
(Clap your hands)
Come on, if you're feeling, if you're feeling, alright
(It's a party)

Come on, if you're feeling, if you're feeling, alright
(A come on)
Come on, if you're feeling, if you're feeling, alright
(Yeah, yeah, yeah, yeah)
