I've been running down these feelings in my mind  
The sick, the hurt, the jaded, and the blind  
I just know there's something missing on the inside

The answers that I found are not enough  
'Cause I gotta fill up all the holes where joy leaks out  
I wanna open up with new eyes  
I wanna open up with new eyes

I'm tellin' you, what I'm looking for  
Is something more than a feeling  
What I'm looking for  
Is something bigger than me  
What I'm looking for  
Is something I can believe in  
More than a feeling  
More than a feeling, oh  
More than a feeling, oh

I keep running, 'cause I've always been afraid  
That if I stop, I'll know the demons that I face  
I gotta build the courage just to say  
I need more than you can offer me

I'm tellin' you, what I'm looking for  
Is something more than a feeling  
What I'm looking for  
Is something bigger than me  
What I'm looking for  
Is something I can believe in  
More than a feeling  
More than a feeling, oh  
More than a feeling, oh

I need more than just a temporary high  
I want more than just a momentary life  
If I breathe my final breath tonight  
I wanna know you'd welcome me inside

What I'm looking for  
Is something more than a feeling

Something bigger than me  
What I'm looking for  
Is something I can believe in  
More than a feeling  
More than a feeling

What I'm looking for, yeah, yeah  
What I'm looking for, yeah, yeah  
What I'm looking for, oh  
More than a feeling
