LET A MAN COME IN AND DO THE POPCORN PART I

James Brown

Hey you all look out let a man come in

I got to have fun I'm gonna do my thing

Way over yonder can you dig that mess

The sister standing out there dressed up

In a brand new mini dress

Look hey over there

do you see that boy playing that horn

And dig that soul brother look at him doing the popcorn

Hey everybody I got a brand new start

Hey, hey everybody I got a brand new start

I ain't gonna hurt nobody

I just, I just I just wanna help my heart

Gonna have a ball sure as you're born

Gonna have a ball sure as you're born

I'm gonna dance, dance, dance do the popcorn

Hey look a there hey look a there

Do you see what I see

Everybody doing the popcorn but me

Get back over there with your mini dress

Look out good mama I gotta do my best

Hey over there hey over there look a here

A look a here I got the best band in the land

I just gotta jump back take my stand

I want to ask the fellows don't have no doubt

I just got to lay to lay it right out
