Try me Try me

Darlin tell me

I need you

Try me Try me

And your love will always be true

Oh I need you (I need you)

Hold me Hold me

I want you right here by my side

Hold me Hold me

And your love we won't hide

Oh I need you (I need you)

Oh i need you (I need you)

Oh oh walk with me (walk with me)

Talk with me (talk with me)

I want you to stop my heart from crying

Walk with me (walk with me)

Talk with me (talk with me)

And your love stops my heart from dying

Oh I need you (I need you hoo hoo
