We're knockin' on the door,
Kick it down!
We're knockin' on the door,
Break it down!

When it comes to dues, we paid 'em,
We had the patience, we waited.
Sometimes loved and sometimes hated,
Here we come, there ain't no mistakin'.
We get the chance and we take it,
Get the shot at the game and we make it.
Standing on the edge, like we played it,
Here we come, there ain't no mistakin'!

We're in the middle of it,
Fire and smoke are everywhere.
I can't see it cooling down.
We're in the middle of it,
It's everything we ever wanted.
The middle of it,
We're in the middle of it now!

We're knockin' on the door,
Kick it down!
We're knockin' on the door,
Break it down!

Got 'em down on the floor,
Beggin' no more.
With a foot on the throat,
We're gonna get what we came for.

Got 'em down on the floor,
Beggin' no more.
With a foot on the throat,
We're gonna get what we came for.

Got 'em down on the floor,
Beggin' no more!
With a foot on the throat,
We're gonna get what we came for.

Got 'em down on the floor!
Beggin' no more!
With a foot on the throat,
With a foot on the throat,
With a foot on the throat,
We're coming out now!

We're in the middle of it,
Fire and smoke are everywhere,
I can't see it cooling down.
We're in the middle of it,
It's everything we ever wanted!
The middle of it,
We're in the middle of it now!

We're knockin' on the door,
Break it down!
We're knockin' on the door,
Kick it down!
