It felt like spring time
On this February morning
In the courtyard
Birds were singing your praise
I'm still recalling things you said
To make me feel alright
I carried them with me today
Now

As I lay me down to sleep
This I pray
That you will hold me dear
Though I'm far away
I'll whisper your name
Into the sky
And I will wake up happy
but wonder why

I feel so high
Though I am not above the sorrow
Heavy hearted
Till you call my name
And it sounds like church bells
Or the whistle of a train
On a summer evening
I'll run to meet you
Barefoot barely breathing

As I lay me down to sleep
This I pray
That you will hold me dear
Though I'm far away
I'll whisper your name
Into the sky
And I will wake up happy
(repeat)

It's not too near for me
Like a flower I need the rain
Though it's not clear to me
Every season has its change
And I will see you

When the sun comes out again

As I lay me down to sleep
This I pray
That you will hold me dear
Though I'm far away
I'll whisper your name
Into the sky
And I will wake up happy
(repeat)

i wonder why...
the sun comes out again...
hmmmm...

when the sun comes out again....
come out.. come out again...
i will wake up happy...
