You could travel a world  
But you can't runaway  
From the person  
You are in your heart

You could be  
Who you want to be  
Make us believe in you  
Keep all your light in the dark

If you're searching for the truth  
You must look in the mirror  
And make sense  
Of what you can see  
Just be, just be

They say learning  
To love yourself  
Is the first step that you take  
When you want to be real

Flying on planes  
To exotic locations  
Won't teach you  
How beauty feels

Face up to the fact  
That you are who you are  
And nothing can change that belief  
Just be, just be

'Cause now I know  
It's not so far  
To where I go  
That I respond

It's inside me  
I need to just be  
Just be

I was lost and I'm still lost  
But I feel so much better

'Cause now I know  
It's not so far  
To where I go  
That I respond

It's inside me  
I need to just be  
Just be

And flying on planes  
To exotic locations  
Won't teach you  
How beauty feels  
Just be, just be
