remember your heart

remember your heart  
the darkest assassination  
remember your purer times  
and think of your joy  
and arch of your inspiration  
stop saying "how lost am i?"

and if i cried  
it just might take forever

no stillness and no rain  
the thought of loving you is gone  
no stillness and no rain  
ooh

you're not in control  
you could just die tomorrow  
and particles of your light  
would emanate on  
to some cold and distant planet  
and you would be wiser still

and if i cried  
it just might take forever

no stillness and no rain  
the thought of loving you is gone  
no stillness and no rain  
ooh

oh, no stillness and no rain  
the thought of loving you is gone  
no stillness and no rain  
ooh

who won't let go?  
who wants to make us still?  
who won't let go?  
oh

cuz if i cried  
it just might take forever

no stillness and no rain  
the thought of loving you is gone  
no stillness and no rain  
ooh

oh, no stillness and no rain  
the thought of loving you is gone  
no stillness and no rain  
ooh
