Lives of great men all remind us  
We may make our lives sublime  
And departing leave behind us  
Footprints in the sands of time

Of hewn stones, the sacred circle  
Where the wizened sages sat  
Let us try to remember  
All the times where they were at

So your thoughts, they were expecting  
Assault and battery on the human anatomy  
Assault and battery on the human anatomy, man

Lives of great men all remind us  
We may make our lives sublime  
And departing leave behind us  
Footprints in the sands of time

Of hewn stones, the sacred circle  
Where the wizened sages sat  
Let us try to remember  
All the times where they were at

So your thoughts, they were expecting  
Assault and battery on the human anatomy  
Assault and battery on the human anatomy, man

Lives of great men all remind us  
We may make our lives sublime  
And departing leave behind us  
Footprints in the sands of time

Of hewn stones, the sacred circle  
Where the wizened sages sat  
Let us try to remember  
All the times where they were at

So your thoughts, they were expecting  
Assault and battery on the human anatomy  
Assault and battery on the human anatomy, man
