Lives of great men all remind us
We may make our lives sublime
And departing leave behind us
Footprints in the sands of time
Of hewn stones the sacred circle
Where the wizard sages sat
Let us try to remember
All the times where they were at

So your thoughts, they were expecting
Assault and battery on the human anatomy,
Assault and battery on the human anatomy, man

Lives of great men all remind us
We may make our lives sublime
And departing leave behind us
Footprints in the sands of time

So your thoughts, they were expecting

Assault and battery on the human anatomy,
Assault and battery on the human anatomy, man

Lives of great men all remind us
We may make our lives sublime
And departing leave behind us
Footprints in the sands of time
Of hewn stones the sacred circle
Where the wizard sages sat
Let us try to remember
All the times where they were at

So your thoughts, they were expecting
Assault and battery on the human anatomy,
Assault and battery on the human anatomy, man
