I used to be of human kind
I had a life to lead
But now I'm frozen in a dream
My life is lost it seems
She turned the key of endlessness
and locked me in a dream,
Infinity
Infinity
Infinity

Infinity so beautiful
Has turned my soul to ice
And crystallised eternity
For all my future time
She turned the key of endlessness
and locked me in a dream,
Infinity
Infinity
Infinity
Infinity

I met her in a forest glade
Where starbeams grew like trees
I did not take her for a witch
She wasn't what she seemed
She turned the key of endlessness

and locked me in a dream,
Infinity
Infinity
Infinity
Infinity

I used to be of human kind
I had a life to lead
But now I'm frozen in a dream
My life is lost it seems
She turned the key of endlessness
and locked me in a dream,
Infinity
Infinity
Infinity

Infinity
Infinity
Infinity
Infinity
Infinity
Infinity
Infinity
