Motherless children have a very hard time when their  
mother is gone  
Motherless children have a very hard time when their  
mother is gone  
Motherless children have a very hard time,  
all that weeping and all that crying  
Motherless children have a very hard time when their  
mother is gone

Some people say that a sister will do when their mother  
is gone  
Some people say that a sister will do when their mother  
is gone  
Some people say that a sister will do,  
soon as she's happy turn her back on you  
Motherless children have a hard time when their  
mother is gone

Father will do the best he can when their mother is  
gone  
Father will do the best he can when their mother is  
gone  
Father will do the best he can,  
so many things that father don't understand  
Motherless children have a hard time when their  
mother is gone
