Sail upon a ship of dreams  
Goes nowhere not all it seems  
You out there might try to ask  
A question about your daily tasks  
But I look neither right nor left  
Sail upon the dreams of death  
The only boat you travel on  
Is the one-way ticket home  
And I look neither right nor left  
???? until all is said

Sailing upon the Ship of Dreams  
It goes nowhere, not all it seems
