"Ship Of Dreams"

Visit "[Ship Of Dreams](#)" on MotoLyrics.com

(- Brock -)

Sail upon a ship of dreams
Goes nowhere not all it seems
You out there might try to ask
A question about your daily tasks
But I look neither right nor left
Sail upon the dreams of death
The only boat you travel on
Is the one-way ticket home
And I look neither right nor left
???? until all is said

Sailing upon the Ship of Dreams
It goes nowhere, not all it seems
