Unbelieving  
Non-receiving  
Mind is in a Void  
Unforgiven  
Bodydriven  
Striving to avoid  
Anger glowing  
Can't help knowing  
Hiding from the pain  
Everlasting  
Grains of Truth are  
Gnawing at his brain

Now he wonders  
Fears but wonders  
Where it all will end

Never certain  
Far from certain  
Can the future mend?

Conscience torn out  
Doesn't know how  
He will ever find

Peace of mind  
Warlike visions  
Torment all his kind
