Jaws of blue open wide the sky Silence split with thunder men who fly Descend the jaws of cosmic brood For their appetite we the fleshly food Rising souls and carcassed bone Fleshless remains in every home Onwards crunching munching men Star Cannibal has come again He partakes of us at will Enigmatic one we cannot kill Flesh fondue - main course stew Of his unearthly human crew.... Flesh fondue - main course stew Of his unearthly human crew Flesh fondue - main course stew Of his unearthly human crew Flesh fondue - main course stew Of his unearthly human crew Flesh fondue - main course stew Of his unearthly human crew Flesh fondue - main course stew Of his unearthly human crew
