"Stonehenge Decoded"

Visit "[Stonehenge Decoded](#)" on MotoLyrics.com

Stonehenge decoded, I was there
Sacrificed to this land so fair
Across the windy downland hill
There emanates a force of will
Perimeter of barbed wire stands
Encircled by the patrolling man

Stonehenge decoded, I was there
Sacrificed to this land so fair
???????????????????? ??? ??? ?? ???
Offering blood ????? ??? ??? ??

Stonehenge decoded, I was there
Sacrificed to this land so fair
Sacrificed to this land so fair
