A starless night  
Older than death  
The sand dunes of life  
Hold their breath  
My eyes are closed  
Dreaming for you  
The holy wars  
Time will subdue

Oh desert winds  
Never cease  
Forgive their sins  
Sword of the East

Your swords of steel  
Have turned to guns  
Your desert steed  
Has been outrun  
And now you hide  
Under the night  
To wait for dawn  
To continue the fight

Oh desert winds  
Never cease  
Forgive their sins  
Sword of the East

Oh desert winds  
Never cease  
Forgive their sins  
Sword of the East

???????

The children you bear  
Are going to war  
Their eyes of despair  
Your generals ignore  
So now we dream  
Of mysterious lands

Warm blood of the past  
Still flows in the sand

Oh desert winds  
Never cease  
Forgive their sins  
Sword of the East
